4th May 2018

This week we have been...

- Enjoying sharing the toys that the children brought in from home. The children spent time in their key groups and really impressed us with their comments.
- Baking shortbread! The children helped to weigh and mix the ingredients and to roll out the mixture. They then selected a piece of Numicon to use as a cutter to cut out their biscuit! Yummy! 😊
- Making sock puppets! Thank you to those of you who sent in a sock. The children really enjoyed choosing which decorations to add to their sock to turn it into a puppet!

In Phonics, over the last two weeks the children have learnt the sounds m, a, s and t.

Some children have learnt to write these letters and some children have played silly soup to find objects beginning with these sounds.

Birthdays:

There are no birthdays in Nursery this week.
