11<sup>th</sup> May 2018

## This week we have been...

- Ordering Numicon plates from one to ten and naming each one. We have used the vocabulary: one more/one less, larger/smaller and fewer. The children have also practiced counting carefully using 1:1 correspondence.
- Creating our own perfumes using a range of scented resources.
- Making robots out of playdough and adding metal parts such as screws, nuts and bolts.
- Tapping out syllables in words using percussion instruments.

In Phonics the children have learnt the sounds t and i

Some children have learnt to write these letters and some children have played silly soup/syllable jumping games with objects beginning with these sounds.
