

Nursery Newsletter

19th January 2018

This week we have been...

- Thinking about 'builders' as part of our 'People Who Help Us' topic. We've thought carefully about what makes a good builder and what things they do. Look out for our builders that we have made in Nursery!
- Using our junk modelling skills to make a house for a little family.
- Building walls for Humpty Dumpty to sit on, using wooden blocks for bricks and playdough as 'mortar'.
- Using whisks to make lots of bubbles in soapy water!
- Some children have been learning about rhyming words and some have been identifying initial sounds in words.

Birthdays:

There are no birthdays in Nursery next week!

Important Dates and Messages:

- If your child feels confident and happy coming into Nursery at the beginning of their session then please feel free to say goodbye to your child at the door and encourage them to put their coat and drink away independently. If you wish to continue coming in to the classroom with your child or do not feel that your child is ready to be as independent yet you are still very welcome to come in with them.
- Thank you to all of you who kindly brought in items for junk modelling. Our 'junk' supply is now quite low so any more would be gratefully received. Thank you! ☺
- Please only fill your child's bottle with water. This is to prevent our classrooms from getting sticky if drinks get spilled.
- We are currently in need of role play items for our Home Corner areas. If you have anything that you no longer need and would be willing to donate we would be incredibly grateful! Items such as small arm chairs/ tub chairs for the children to sit in, play ironing boards and irons, play toasters, play washing machine/dishwashers etc. If you have anything that you may be willing to donate please let us know. Thank you in advance! ☺
- Where possible we request that toys from home are not brought in to Nursery. Thank you.
