

Nursery Newsletter

29th June 2018

This week we have been...

- Morning and Afternoon children have started to focus on 'Goldilocks and the three bears' and All Day children have started to focus on 'We're going on a bear hunt'. See if your child can retell their story to you!
- Looking at familiar logos and environmental print
- Making take-away food out of playdough and filling in order forms.
- Looking for hidden pictures around our rooms and practicing writing initial sounds to record what we have found.
- In phonics, some children have learnt the sounds c and k and how to write them and some children have practiced recognizing rhyming words.

Birthdays:

Happy 4th Birthday to
Betsy!

Important Dates and Messages:

- With the end of term approaching we would like to remind you about School Pupil Tracker Online (SPTO). This is the website which you can access your child's learning journey on. The learning journey has been contributed to throughout the year and this forms your child's end of year report. If you are unsure of how to access your child's online learning journey or have forgotten your log in details please speak to a member of nursery staff who will be happy to help you. 😊
- Next Friday will be the last time we will send home Communication Books. Therefore there is no need to send them into Nursery again after next week. We encourage you to keep your child's Communication Book as a record of their time at Nursery.
