

Nursery Newsletter

9th March 2018

This week we have been...

- AM/PM Children have been learning about aeroplane journeys. All Day Children have been learning about train journeys. The children have drawn their own 'journey drawing', thinking about what things they may see on an aeroplane/train journey.
- Enjoying messy play! AM/PM Children have juiced an orange and drank the freshly squeezed juice. All Day Children have been mashing and exploring baked beans.
- Exploring at Forest Rangers. We have been on a journey through the Forest Rangers Area and made our own journey sticks by collecting different objects we passed on our journey and adding them to our stick.
- Busy making a special something for our Mummy/Nanny!

Important Dates and Messages:

- Next week we will be having 'Science Week' in Nursery. We will be encouraging the children to use their senses and to be good at observing and doing experiments. We want the children to be excited about science and to realise that both boys and girls can be scientists. We will be using 'pirates' as a theme for Science Week and we invite the children to come dressed as a pirate on Friday 16th March if they would like to. Fancy dress is optional and not compulsory.
- Next week you will be able to sign up for a Parents' Evening appointment. Parents' Evening is on Wednesday 21st March. Sign-up sheets will be available in your child's classroom at the beginning of each nursery session. Parents of children who attend care club before nursery will be able to sign up for Parents' Evening in the school hall from 7.30am every morning next week.
- The Coppice Book Fair will be on Mon 19th - Thurs 22nd March. Please come and support this. The school receives money from each book sold that we can use to buy new resources.

Birthdays:

Happy 4th Birthday to Rozie,
Liliana-Mae and Kane!

• A parent has lost a pair of glasses when dropping their child off at Nursery. Please let us know if you find them.
Thank you! ☺
