

Nursery Newsletter

27th April 2018

This week we have been...

- Celebrating St. George's Day. We shared the story of St. George and thought about how brave he was.
- Making England flags. The children cut out a flag template, used a ruler to draw a red cross and then fastened it to a paper straw.
- Making dragons out of playdough
- Making scones and sandwiches ready for our tea party on Wednesday.
- The children thoroughly enjoyed our tea party on Wednesday where they ate the scones and sandwiches we made and drank tasty fruity water! The children all looked very smart in their party clothes too!

Birthdays:

Happy 4th Birthday to Malaya!

Important Dates and Messages:

- Our topic is all about toys for the next few weeks and we are thinking about what toys are made of and what they can do. Please bring in a toy that your child can share with the class during show and tell. Ideally one that can move or has a sound when pressed/levers etc.
- Next week in the creative area the children will be invited to create their own sock puppet and we ask that your child brings in a sock that they can turn into a puppet.
- Sports Day will be on Monday 11th June. We will provide more details nearer the time.
