

THE COPPICE PRIMARY SCHOOL
ADMISSIONS POLICY for 2017 / 8

When there are more applications than places, children are admitted in the following order of priority:

- 1) Relevant *'Looked after' and previously *'Looked after' children
- 2) Siblings (see below for definition) of pupils attending the school **and** living within the **catchment** area of the school. In order to qualify for a place on the grounds of a sibling attending the school, the sibling must already be attending the school at the time of application and still be attending at the time of admission. Copies of catchment area maps, if required are available from the Local Authority (LA), or can be viewed in schools.

In the event of a school catchment area change being approved, pupils who would still have a **sibling connection** (see below for definition) at the time of admission and who are living at the same address in the previous catchment area for a school, (but not within the revised catchment area), at the time the change was approved will be considered as living within the **catchment area**.

- 3) Pupils living within the **catchment area** of the school. Copies of catchment area maps, if required are available from the LA, or can be viewed in schools;
- 4) Pupils living outside of the catchment area but who would still have a **sibling connection** (see below for definition) at school at the time of admission. In order to qualify for a place on the grounds of a sibling attending the school, the sibling must already be attending the school at the time of application and still be attending at the time of admission;
- 5) Children of staff at the mainstream school, where that member of staff has been employed for two or more years, and/or is recruited to fill a post for which there is a demonstrable skill shortage
- 6) Pupils who live **nearest** to the school by the shortest straight line distance. The measurement will be taken using the GeoCode Points for each property and the GeoCode point for the centre of the School. The Governing Body will utilise the Local Authority software package called Arcview GIS to determine distance. Ordnance Survey supplies the co-ordinates that are used to plot an address within this system. ***(In the event of equi-distance applicants, any place will be allocated by random selection (lottery). Someone totally independent of the Governing Body will supervise this process).***

In accordance with legislation, a child with a Statement of Special Educational Needs or an Education Health and Care Plan (EHCP) will be offered a place at the school named in the Statement or EHCP

*'Looked after' means all those in the care of or accommodated by the County Council under the terms of the Children Act 1989. Previously 'looked after' means children who were adopted under either the Adoption Act 1976 or the Adoption Act 2002 or who became subject to a Child Arrangement Order or Special Guardianship Order.

Where there are too many applications from within the catchment area, priority will be decided in the order indicated above to all catchment area applicants, i.e. sibling connection then children of staff then according to distance, each assessed as indicated above.

The sibling connection, as well as brother and sister will include half-siblings, adopted children, step-siblings or a child of the parent/carers partner. They must also be living at the same home address. Children who are brought together as a family by a same sex civil partnership and who are living at the same address are also considered to be siblings.

In the event that one or more but not all children from a multiple birth can be allocated a place(s), all of the children from that multiple birth will be admitted even if this takes the school over PAN. These children are exceptions to the Infant Class Size legislation.

There are a number of limited exceptions to the Infant Class Size legislation, including children of UK service personnel admitted outside the normal admissions round, children with statements of special educational needs, looked after children, children with special educational needs who are normally taught in a unit attached to the school, where a procedural error has occurred, children admitted following successful appeal and children admitted outside of the normal admissions round where no other place is available.

Parents may request that their child's entry to a reception class be deferred until later in the same reception academic year group. Parents cannot defer entry until the following academic year. Parents wishing to consider a deferment should discuss the situation with the Head teacher at the school. Parents must apply for a school place in the normal way at the usual time. By law children must start school at the beginning of the term following their fifth birthday

Late Applications

The Governing Body has agreed to accept late applications, , within the time-frame set out in the Worcestershire co-ordinated scheme, and treat them as being on time, only in the following circumstances;

- a) where a family have just moved address, (refer to Information for Parents booklet);
- b) where it is agreed by the Governing Body, that individual circumstances apply and the delay was reasonable given the circumstances of the case;

In each case supporting documentary evidence will be required. **In all other circumstances, or if the application is not received until after the date set out in the scheme, late applications will receive a lower priority, and will only be considered after the applications received (or deemed to be) on time.**

Waiting Lists

The waiting list is maintained by the Coppice Primary School and parents need to apply, in order to be included. This waiting list will be maintained until the end of the Autumn term. At that stage parents will need to reapply at the start of the following term if they wish to be included. In the event of a place becoming available, it will be allocated based on the admissions criteria set out on page 1 – it will not be dependent upon the time a child has been on the waiting list.

Admission of children outside their normal age group

Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child may choose not to send that child to school

until the September following their fifth birthday and may request that they are admitted out of their normal age group – to reception rather than year 1. Any requests should be made in writing to the Headteacher.

The school will make a decision on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. They must also take into account the views of the Headteacher of the school concerned. When informing a parent of their decision on the year group the child should be admitted to, the school will set out clearly the reasons for their decision.

Where the school agrees to a parent's request for their child to be admitted out of their normal age group and, as a consequence of that decision, the child is admitted to a relevant age group (i.e. the age group to which pupils are normally admitted to the school) the local authority and school must process the application as part of the main admissions round, unless the parental request is made too late for this to be possible, and on the basis of our determined admission arrangements only, including the application of oversubscription criteria where applicable. The school will not give the application lower priority on the basis that the child is being admitted out of their normal age group. Parents have a statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at the school but it is not in their preferred age group.

There is no statutory barrier to children being educated outside of their chronological age group. Whilst Parents have the legal right to request that the child be admitted outside of their normal age group, the final decision rests with the school.

Fair Access Protocol

As part of the new Worcestershire Fair Access Protocol, incorporating the 'Hard to Place Protocol', all schools with Key Stage 2, 3 and 4 classes can be required to exceed the published admission number to admit pupils covered by the Protocol. The Governing Body works within the Protocol.

'In Year' transfer arrangements

As the school is an Academy, any offer or refusal will be made on behalf of the Governors following consultation. Parents or carers seeking to transfer to a school that does not involve a house move, or where there is no need for an immediate move, need to be aware that any date set for joining the new school may be after the next term or half term holiday and that parents/carers are responsible for ensuring their child continues to receive appropriate education in the interim.

Parents/Carers with a first preference application for 'In Year' transfers into an Academy, Foundation, Voluntary Aided School in Worcestershire or a school in another Local Authority must forward the application to the individual schools.

In line with the Code of Practice, all own admission authority schools **must**, on receipt of an in-year application, notify the relevant Local Authority of its outcome and inform parents of their right to appeal against a refusal of a place.

February 2016
