Guidance and Use of Funds

Schools must use the funding to make additional and sustainable improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school's budget should fund these.

Schools should use the PE and sport premium to secure improvements in the following 5 key indicators.

- 1. Engagement of all pupils in regular physical activity**, for example by:
 - providing targeted activities or support to involve and encourage the least active children
 - encouraging active play during break times and lunchtimes
 - establishing, extending or funding attendance of school sports clubs and activities and holiday clubs, or broadening the variety offered
 - adopting an active mile initiative
 - raising attainment in primary school swimming to meet requirements of the national curriculum before the end of key stage 2 - every child should leave primary school able to swim
- 2. The profile of PE and sport is raised across the school as a tool for whole-school improvement**, for example by:
 - actively encourage pupils to take on leadership or volunteer roles that support the delivery of sport and physical activity within the school (such as 'sports leader' or peer-mentoring schemes)
 - embedding physical activity into the school day through encouraging active travel to and from school, active break times and holding active lessons and teaching
- 3. Increased confidence, knowledge and skills of all staff in teaching PE and sport**, for example by:
 - providing staff with professional development, mentoring, appropriate training and resources to help them teach PE and sport more effectively to all pupils, and embed physical activity across your school
 - hiring qualified sports coaches and PE specialists to work alongside teachers to enhance or extend current opportunities offered to pupils - teachers should learn from coaches the necessary skills to be able to teach these new sports and physical activities effectively

4. **Broader experience of a range of sports and physical activities offered to all pupils**, for example by:
- introducing a new range of sports and physical activities to encourage more pupils to take up sport and physical activities
 - partnering with other schools to run sports and physical activities and clubs
 - providing more and broadening the variety of extracurricular physical activities after school in the 3 to 6pm window, delivered by the school or other local sports organisations
5. **Increased participation in competitive sport**, for example by:
- increasing and actively encouraging pupils' participation in the School Games
 - organising more sport competitions or tournaments within the school
 - coordinating and entering more sport competitions or tournaments across the local area, including those run by sporting organisations

Swimming Data

<p>Meeting national curriculum requirements for swimming and water safety.</p> <p>N.B. Complete this section to your best ability. For example, you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts.</p> <p>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the NC programme of study</p>	<p>During the 2023_24 academic year, the school hired a swimming pool, with swimming coaches, to come to site to ensure all year groups caught up with missed swimming lessons and to provide additional lessons for those who are still unable to swim after their original lessons.</p>
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p>N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2024.</p>	<p>90% (79 of 88)</p>
<p>What percentage of your current Year 6 cohort use a range of strokes effectively, for example, front crawl, backstroke and breaststroke?</p>	<p>85% (75 of 88)</p>
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	<p>39% (34 of 88)</p>
<p>Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?</p>	<p>Yes - see information under Key Indicator 1</p>
