- Explain the roles and responsibilities of everyone involved in providing for pupils with SEND
- Our SEND Policy also aims to reflect the values and ethos that The Coppice Primary School holds. We aim that ALL of our children should become “Happy, confident and successful learners, well prepared for life.”
- We have a commitment to all our pupils and their Parents/Carers that we will place the child’s individual needs at the heart of our provision. That regardless of age, race, gender, religious or cultural belief, additional needs or economic situation ALL of our pupils will receive a high quality and appropriate education.
- We will ensure that all pupils have an equal right to enjoy and participate in all aspects of school life and to benefit from the many and varied opportunities open to them. Please see our Equality Policy.

4. Legislation and guidance

This policy and information report is based on the statutory guidance [Special Educational Needs and Disability \(SEND\) Code of Practice](#) and the following legislation:

- [The Equality Act \(2010\)](#), particularly Part 2, Chapter 1, Section 6 where the term ‘disability’ is defined.

- [Part 3 of the Children and Families Act \(2014\)](#), which sets out schools' responsibilities for pupils with SEN and disabilities
- [The Special Educational Needs and Disability Regulations \(2014\)](#), which set out schools' responsibilities for education, health and care (EHC) plans, SEN coordinators (SENDCOs) and the SEN information report

As an academy, this policy also complies with our funding agreement and articles of association.

5. Definitions

A pupil has SEND if they have a learning difficulty or disability (as described in the Equality Act, 2010) which calls for special educational provision to be made for them.

They have a learning difficulty or disability if they have a significantly greater difficulty in learning than the majority of others of the same age, or a disability which prevents or hinders them from making use of facilities of a kind generally provided for others of the same age in mainstream schools.

Special educational provision is educational or training provision that is additional to, or different from, that made generally for other children or young people of the same age by mainstream schools (SEND Code of Practice, 2015, p.15-16).
